

## OLYMPIC SOLIDARITY GRANTS PROCESS

### Select one or more appropriate OS program(s)

*See program sheet*

### Define your selling points

*Why should your NOC award your NA with a grant?*

*How does this relate to your National Hockey Development Plan? Can the plan be used to show your NOC how you structure and prioritise the development of the sport?*

*Did you know that you can download templates for drafting National Hockey Development Plan from the development section of the WorldHockey website ([www.worldhockey.org](http://www.worldhockey.org))? Your CDO can help you with your planning process!!*

### Approach the NOC

*You can use the attached template letter for this (of course you can also make your own letter!)*

### Meet the NOC

*Again – make clear why your NA should be selected for an OS grant. To show what the strength is of hockey you can make use of the FIH Promotional DVD (sent to you in 2005 and available through the FIH office)*

### Get awarded...

*hopefully with an OS grant! After this OS will ask the FIH to organize a course conductor in the case of technical courses and it will ask FIH's opinion in the case of team grants. The NOC is responsible for the organization, budget control and contact with the NA.*

### Communicate

*Make sure that you communicate the results of your grant well, so that you keep being in the loop for the next round of grants!*
